

BUSINESS PROFILE

Introduction

“KIM” started its operation in Singapore since 2002 under our pioneer name Kim Singapore Services.

Over the years, the company has grown from a one-vehicle operation to one that is able to provide high quality and reliable service to clientele of various sizes. The growth of the company can be largely attributed to our commitment in constantly enhancing the quality of our service.

Today, Kim Transport remains a privately held company with a total staff strength of approximately 31 employees/contractors.

Our Service

We provide efficient and reliable land transport services to clients of various industries with majority of the clientele base from the shipping and marine offshore industry. With our vast experience and knowledge gained over the years, we are one of the most trusted transportation companies in Singapore especially among our marine industry clients.

Our Core Values

Since inception, we are guided by a set of core values. These core values shapes and define the character of our company.

Knowledge

Acquiring the necessary knowledge, skills and information to maintain high business standards at all times.

Integrity

Being honest, trustworthy and responsible for our behavior and words. In short – do the right thing!

Mission Focused

Always focused in delivering high standard quality service to our clients. Always provide full commitment towards all our clients as well as our employees.

Our Fleet

We have a total of 22 fleets and additional supporting fleets comprising of:-

16	13-seater Toyota High Roof	1	5-seater Toyota Altis
1	12-seater Toyota Standard Roof	2	7-seater Toyota Wish
1	7-seater Toyota VellFire	6	45-Seater Coach
6	Luggage Vans		

With the support of our business partners, we are able to expand further and increase our fleet productivity and performance.

BUSINESS PROFILE

Workplace Safety and Health (WSH)

We understand that having a safe working environment is an essential part in all businesses and it cannot be compromised. We have adopted a Workplace Safety and Health Policy which are strictly adhered to. To show our commitment, we have participated in the Bizsafe program administered by Ministry of Manpower (MOM) and Workplace Safety and Health Council (WSHC) where we successfully attained level 4 certification.

Our commitment for safety & quality does not stop here as we continue to improve ourselves. We are currently working on ISO 9001 2015 certification.

WORKPLACE SAFETY AND HEALTH POLICY

It is the goal of “KIM” to provide a safe & healthy workplace environment for all employees, contractors and clients both within the office premise as well as on the road. In order to promote an uncompromising safety environment, we are committed to :

- Strive to promote a safe workplace environment that is compliant with relevant health and safety legislation.
- Promote and maintain active communication with all employees and contractors on the policy.
- Encourage all employees and contractors to report all safety incidents immediately.
- Review the policy on a regular basis to ensure its relevancy.
- Recognise, acknowledge, and encourage safe work habits.
- To adopt accident and illness preventive measures associated with its business in the effort to eliminate workplace hazards.
